Re: Charter Communications - Upcoming Changes

Dear Franchise Official:

We value our customers and are committed to providing them with the latest products and technology, and we work hard to keep prices as low as possible. Despite our best efforts, rising costs including programming fees charged by TV networks have impacted our pricing. Customers are being notified via bill message regarding the following price changes that will take effect on or after January 17, 2023. Please note for customers who may be paying a promotional price for their Spectrum TV plan, the regular plan price does not take effect until the end of the promotional period.
