**B. COMMISSION DISCUSSION TOPICS OF MUTUAL INTEREST**

The Commissions held discussions on some new downtown businesses including McEwan Street Fudge and Ice Cream Shop, Cardinal and Clover, and Play-N-Snack Arcade. Urgent Care has recently moved from its location on Fifth Street to MidMichigan Health's facilities professional building on Beech Street. The City currently has the ability to sell some of the newly purchased property within the South Industrial Park that is along the roadway, as infrastructure is available in that area. Commissioner Carmoney expressed concern about the traffic lights at McEwan and Schoolcrest, some of the southbound traffic stops beyond the designated stopping point or simply drives through the red light without stopping which could potentially cause accidents with traffic turning south from Schoolcrest, or causing death or injury to pedestrians on the crosswalk.
