

Airport Manager Report

November 2023

Fuel sales are still ahead of last year's figures, despite being closed for 18 days during the Apron project. We will need another tanker of fuel before the end of December.

Our Apron and Taxi Street paving projects are completed and we are very happy with the final outcome. At the 11th hour, MDOT received the BIL funding and then expedited the contracts over, so that we could complete the projects this year. Construction started on Sept 25th and concluded on October 15th. We did have to widen the existing taxi lane to 25', but this didn't cause as big of a problem as we had anticipated. Restoration was completed with hydrospraying for grass, and we even have grass growing at this point. We did have one major concern when all the asphalt trucks weight destroyed our entry drive. The contractor stood tall and paved an inch and a half over the severely cracked drive. This looks and drives much better, but we know the cracks will eventually make their way to the top again. The drive wasn't in great shape to start with, so overall we consider it a win.

On October 12th, during the chaos of the paving projects, we had our tri-anneal Airport Inspection. The only items that were noted were the tree obstructions south of Washington Road that were in the protected approach to runway 04. The drone had flown all our approaches in September and this is the only approach that had some issues. 5 trees. The inspector agreed to give us a short time to remove these trees before she filed her report. I can now attest that we have removed 14 trees between DPW and a tree contractor. I have taken pictures of the non-obstructed approach and sent them to MDOT. We are awaiting the results.

My replacement, Gabe, has completed a weeks' worth of training from me, and he also attended a one-day Airport Class put on by the MAAE. He has taken the State Airport Manager Test and passed. He is very close to assuming the helm on a day-to-day basis.

Best regards, Gary Todd – Airport Manager

Mail will be able to be delivered to Clare City Hall or dropped off at the Pere Marquette District Library. Children, who drop their letters in the box before December 6th at 3 p.m. will receive a letter from the North Pole before Christmas. Simmer sends out a control letter to confirm the date the letters come back to Clare.

North Pole Calling will take place on Wednesday, December 6, 2023 between 6:00 - 8:00 p.m. During this time Santa Claus will take a small break from his duties at the "North Pole" to contact the registered children and chat with them about life at the North Pole and getting ready for Christmas.

Past Programs and Events

The **Fall Youth Soccer** season started on September 9, 2023 and ran until October 14, 2023. Games were held between 8:30 a.m. - 3:30 p.m. for the pK $- 8^{th}$ grade groups. Concession during the games was run by the Clare High School Soccer coaches and parent volunteers.

The Recreation Complex Raffle tickets were bundled and checked out to the youth soccer players and handed out with their player bags. Tickets were bundled in sets of 30 and each player received one pack and were able to request more if they wanted. As we have done every year, the tickets were \$1/each or 6/\$5 and the proceeds go towards Emerald Isle Recreation Complex projects. For each pack sold they were entered into a player drawing for various prizes. The raffle prizes were: 1st Place - \$500, 2nd Place - \$250 and 3rd Place - \$100 and the drawing took place on October 14, 2023 at 12 p.m. at the Emerald Isle Recreation Complex.

Simmer has been working with the **Clare Primary School Advisory Team** for a service project at Shamrock Park that had been rescheduled from the Friday, October 13, 2023 date because of the rain. The reschedule took place on October 27, 2023 at 9 a.m. There were 27 kids that attended and assisted with clean-up.

Halloween events took place on Saturday, October 28, 2023. The Pumpkin Run was held once again at the Emerald Isle Recreation Complex with registration starting at 9 a.m. and then from 12-2 p.m. Tract-or-Treat took place in the complex parking lot. The farmers handed out candy, pumpkins, apples, cheese sticks, etc... Afterwards registered people were able to go and enjoy the program Wizards, Wands and Potions that was a collaboration between Clare Parks and Recreation and the Pere Marquette District Library.

Large Pumpkin Scavenger Hunt was once again able to take place due to Todd Swartz and his family. On social media we challenged people to look for the five pumpkins and tag #clareparksandrecreation with pictures of them and at least 4 of the 5 pumpkins. We selected six winners from the challenge using a winner wheel. All winners have been contacted and won either a fire roaster, a fishing pole, or a \$10 Buccilli's gift card.

MEMORANDUM

TO: Jeremy Howard and the Clare City Commission

FROM: Clare Police Department

SUBJECT: October police activity

Dear Mr. Howard & City Commission:

I had the privilege of representing our police department at the International Association of Chief of Police conference in San Diego, California. Key areas of discussion included department morale, performance, teamwork, job satisfaction, retention, recruitment, and commitment. This conference was grant funded.

I'm pleased to inform you that Sergeant Francisco, a dedicated K9 officer with 9 1/2 years of service, successfully completed his K9 recertification. In addition, K9 Falco, who joined our department three years ago, has proven to be a valuable asset. Together with Sergeant Francisco, they excel in article searches, narcotic searches, building searches, tracking, and apprehension, contributing significantly to the successful location of various articles, narcotics, and hidden dangerous subjects.

Training:

Oct 9-13th Chief ERT school

Oct 14-17th IACP conference

Oct 16th Stotzel Abandoned Vehicle Law

Oct 24-26th Sgt Francisco K-9 recertification
