**Property Taxes:**

The school did pay back the overpayment that was sent to them for the IFT disbursements. The State of Michigan, Clare County, and Isabella County have been issued the monies that they should of originally received.

**Budget:**

Most department heads have their budget requests turned in. I am now working on putting it all together.

**Personnel:**

After much consideration and evaluation of the workload and job duties in the Treasurer's office I have decided to eliminate the Deputy Treasurer's position.
