FY 2023-2024 Audit: We are still working on the audit. I believe that the auditors have all of the information they need from me. Now they just have to put everything together. We are looking at having the audit presentation at one of the meetings in December.

2024 Winter Tax Bills: I have starting working on inputting all of the information for the 2024 Winter Tax Bills. They have to be to the printers by November 13th.

I attended the quarterly County Treasurer's meeting on October 24th. We met at Hamilton Township Hall and reviewed the upcoming winter tax cycle and changes to the Forfeiture Law.
